Profile

Hi, I'm **Mahmoud Abdullah**, and I'm a front-end developer. I specialize in building user interfaces and creating engaging user experiences for websites and web applications. I have experience with **HTML**, **CSS**, and **JavaScript**, as well as popular front-end frameworks such as **React**. I'm passionate about staying up-to-date with the latest front-end development trends and technologies, and I'm always looking for ways to improve my skills and knowledge. I'm excited to bring my expertise to a new role and help create exceptional digital experiences for users.

Education

2020 – 2024
Mansoura

very good

MET 

I studied at the Egyptian Higher Institute of Commerce and Computers for four years, and all of them were very important, periods of psychological building and development, and learning a lot of techniques.

Projects

02/2023 – 02/2023

Azkar 

Azkar

This is an application that serves Muslims as it provides them with an electronic rosary that contains evening and morning remembrances and waking up. It was built using React.js, and the **PWA** technology was used, which caches the files on the device, which allows the user to browse the application on his device without the Internet.

2022 – 2022

E-commers 

e-commers-flashye

Flashy is a website that displays some diverse products such as clothes, electronic devices, and gold and silver accessories. It contains a card that receives what the user has chosen.

2022 – 2022

weather 

weather-app

This is a website that displays weather conditions and can forecast about eight times per day for the next five days, and works to pull data from an external API.

2022 – 2022

Greencandles 

greencandles

This is a website offering the services of a leading company in the world of digital trading, **Green Candles**.

2020 – 2020

loopstudios 

loopstudios

This is a website for a VR company that works to display its products in a very simple way.

2020 – 2020

Fylo 

fylo-app

This is a website that displays features offered by the filo company, which is a fictitious company.
